1. Installation and commissioning may only be carried out by authorized specialists and wired in accordance with the latest IEE electrical regulations or the national standards.
 2. Mains power must be switched off before carrying out installation.
 3. The manufacturer shall not be liable for any damage resulting from inappropriate modifications to the luminaire or faulty installation.
 4. The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
 5. Light source can't be replaced.
- The control gear provides basic insulation between the LV supply and the control circuit
